### The Fortnightly Wrap Up

Although we are only into week four of the school term, a lot has already happened. Thank you to those that were able to help with the catering at Bussell's clearing sale, and to the parents who came along on the 4-6 Bike Hike. The next event you need to look out for is the cheese making workshop being run by Anna-Kate Pizzini this Saturday. It is a fabulous opportunity to come and learn how to make Camembert cheese with all money going to the school.

### Home Reading Achievements

Congratulations to the following students who have reached 50 nights of reading: Luke Simian, Harvey Cook, Felicity Richards, Issy Pizzini, Bridgette Cook and Lane Sloan.

Congratulations to Kade Micheli, Julia Calvene, and Grace Calvene for reaching 75 nights. All students will receive a ticket in the fortnightly raffle.

## Cheese Making Fundraiser

Don't forget that the cheese making workshop is this Saturday 13th May. We are now opening up a second session from 1-3pm due to high demand. There are still a few spots left in the 10-12pm session but book now to avoid disappointment.

## NAPLAN

This week the grade 3s and 5s will be sitting the NAPLAN tests. I would like to remind all parents and students that these tests are just one part of their school program and all that we ask is that they try their best. We use a variety of assessment tools over the year and NAPLAN is another one of these tools. An information pamphlet regarding NAPLAN has been sent home today. If you have any queries, please feel free to contact me.

## Books For Sale

\$1 books are still available for purchase until the end of this week.

## Personal Best Sport

Personal Best Sport is fast approaching and the kids are out working on their technique for each of the disciplines. The day will be held at Appin Park Sports Complex where parents, families and friends are invited down to watch the sporting action over the day. Further details regarding the event will be sent home closer to the date.

## Bike Education

Can all students please have their bike and helmet to school by the end of this week as Glenn Clarke will be here next week to set up the bike track.

## 4-6 Bike Hike

With the 4-6 Bike Hike over for another year, I would like to say a huge congratulations to all students (and adults) who made the distance! This year we rode from Mansfield to Kerrisdale completing a whopping 92.5km over the 3 days. We managed to get away with a few minor injuries and some sore backsides and look forward to reading some pieces from the students in the next newsletter.

More photos will be placed on the school website by the end of this week.
